

Emergency Services Operations

2008 Payment Schedule

This schedule reflects *training fees* only. Required tools and equipment are additional expenses. Because the Emergency Services Operations option is a 21-week course, it must be considered separately from other Advanced Training options.

Emergency Services Operations (21 weeks): The main course of study will be the Fire Academy, which prepares men to challenge the fire fighter exams in their local area. Additional courses will include advanced technical rescue classes.
