

ALERT Cadet Challenge – Singapore/Malaysia

Leadership Information

September 6-27, 2007

ALERT and ALERT Cadets have been invited to put on an ALERT Cadet Challenge (ACC) in Malacca, Malaysia during the ATI conference being held by the ATI families in Singapore and Malaysia. This is a unique opportunity for us to introduce the ministry of ALERT and ALERT Cadets to the ATI families there while at the same time serving them. While there we will also put on a weeklong Leadership Training Camp (LTC) for fathers and their 13-17 year-old sons.

We anticipate there will be about 150 young men participating in the ACC and about 40 in the LTC Camp. The format will follow what we have done at the four US regional conferences this year. We would like to have three to four ALERT men, preferably graduates of the ALERT program, to accompany Major Roger Farr to the event.

Details on the event are as follows:

- Departure and return are approximately September 6 to September 27, based upon inexpensive airfare availability.
- Cost for airfare will be at your own expense and will be approximately \$1250 depending upon the flights we can find.
- The local ATI families will cover hotel, food, and ground transportation costs.
- Your responsibilities will include conducting an ACC event, or leading a unit of young men, as well as representing ALERT and singing at local churches on Sundays. There will also be opportunities for a service project and a meeting with the local ALERT Cadet U nits in Malaysia and Singapore.
- The LTC camp will be conducted in Malaysia at a national park where we will be camping and sleeping in tents or barracks.
- Immunizations are not required, but a Tetanus booster, Hepatitis A, and Hepatitis B are recommended.
